Stockton Box Mill Starts Operations With Large Crew

Increased Production Will Result from New Equipment

The big, new bandsaw at the Stockton Box Company's mill here started roaring its way through logs last Thursday as summer operations opened up on a full-time basis.

Lew Baysinger, superintendent at the company's Truckee plant, said 43 men are currently employed at the mill and in the yard, working on a 9-hour day, 45-hour weekly schedule.

This substantially large crew does not include the 18 to 20 men working for George Kaspian's Truckee Lumber Company which is supplying logs for the mill. The combined total of more than 60 men creates a pay-roll that runs into a large sum for the community.

Installation of the new type saw to replace the old circular saw, has not only increased the capacity of the mill by approximately 20 per cent, but will result, Baysinger said, in a far better grade of material.

Presently, the daily shipments of finished, dried materials are leaving the company's yard at the rate of 100,000 feet per day, with four trucks and two freight cars transporting the lumber to the plant at Stockton.

James Lakey is foreman of the mill here and A. L. Ellis is the yard foreman, having charge of all operations after the lumber leaves the green chain.

Currently, the Truckee Lumber Company is obtaining its logs in the Lake Tahoe area, but when accessible will resume hauling from the Ice Lakes region on Donner Summit.

Independents Win In Softball Game With State Employes Team

The C.S.E.A softball team was defeated by Bob Leamon's Independents in a practice game at the local park Tuesday evening by a score of 10 to 5.

John Gracik pitched for the winners and Orval Vaughan for the C.S.E.A. Another game is slated for next Tuesday evening.

The regular softball schedule will start the following week on June 1st. Anyone wishing to enter a team in the league, sponsored by the Truckee Athletic Club, may do so by contacting Chairman Bob Leamon or President Dave Morey.

Playing for the C.S.E.A. Tuesday were Westcott, Fuday, Wilson, Vaughn, Quinn, Street, Fordham, Alexander and Morey. For the Independents: E. Frates, Gracik, H. Newsham, Leamon, Frank Giovannoni, . Rablin, A. Besio, K. Foster and Frank Giovannoni, Jr.

School Choral Group Will Feature Program

The elementary school choral group and piano students of Mrs. Don Rich will be heard during the program at the Wyethia Club meeting to be held Friday evening at 8 o'clock.

Art work will also be viewed and the year's program will be discussed. Mrs. Fred Pedley will preside.

The kitchen of the building has been renovated and a permanent gift will be bought for the club.

The local organization was recognized at the recent convention of Federated Women's Clubs for its work in safety and civil defense.

Dr. Scow Will Confine Practice to Truckee

Dr. Oliver Scow, Jr., will devote his entire time to his dental office in Truckee beginning June 1st, according to an announcement this week. Dr. Scow had been dividing his time between here and the office at Portola during the winter months.

ASSESSORS HERE TO AID LOCAL OWNERS

County Assessor William Tamblyn and a crew of deputies are here this week to assist local property owners in their assessment problems and provide veterans with an opportunity to apply for their exemptions. The assessors have their office located at the fire station.

In Hospital—

Easton Buhler, son of Mr. and Mrs. Elwood Buhler, was admitted to the Tahoe Forest Hospital for a checkup by Dr. Sidney Kase this week.

Has Treatment—

Miss Marilyn Baker, teacher at Kings Beach, underwent treatment for a throat infection at the Tahoe Forest Hospital during the week.

In Utah—

Mr. and Mrs. Charles Kay were called to Utah this week because of the death of Kay's father.

Kishbaugh Named To Head Educational Organization In Area

Lynn Kishbaugh, principal of the Truckee Elementary School, was elected president of the Tahoe-Truckee Educational Association for the 1954-55 school year at the regular meeting of the association on Tuesday, May 18th.

Mrs. Ruth Roberson was elected vice president; Hugh Smith, secretary and Miss Geraldine Bean, treasurer. Norman Dewhurst was elected director for the three-year term and Mrs. Charlotte Patnude, director for the two-year term.

The association, at the meeting held at the Donner Trail School, adopted a resolution endorsing the candidacy of Roy E. Simpson for superintendent of public instruction for the State of California for the next four years.

It was the consensus of the members of the association that Dr. Simpson has performed an outstanding job as leader of the state's school since 1945.

Cooperative Nursery To Be Discussed At Meeting On Thursday

Melton Babitz, consultant in Parent Education for the California State Department of Education, will be the principal speaker at a meeting called for the purpose of organizing a cooperative nursery school in this area.

The meeting will be held at the Tahoe Truckee High School at 8 p.m. on Thursday, May 27th.

Fathers, as well as mothers of pre-school children are urged to attend. Baby sitters will be in attendance at the high school to take care of small children during the meeting and refreshments will be served.

Babitz is making a special trip to Truckee from Berkeley to help organize the nursery school and it is hoped that all who are interested will be present. A special invitation is being extended to parents in the entire Tahoe Truckee Unified School District.

CUB SCOUTS WILL MEET AT BALL PARK

Regular Cub Scout Den meetings will be held in the Truckee Baseball park each Tuesday evening starting at 7:30 p. m. during the summer.

Leaders of the various Dens will alternate with the program. The new meeting time and place were decided at a planning meeting held Monday evening in the home of Mr. and Mrs. James Walker.

William Dorsey, field executive from Grass Valley talked on the new ideas for scouting before a good representation of leaders.

The last pack meeting, until school reconvenes in the fall, will be held at the Truckee elementary school on Tuesday evening, May 25th.

Past Presidents Are Honored By Rotarians

The Truckee Rotary Club paid special tribute to its past presidents at the regular meeting held in Brown's Cafe last Monday night.

Those participating were Joe Mattos, Art Couillard, James Sherritt, John Ciardella, William Curran and Charles Osburn.

Johnnie Richards presided over the meeting with John Ciardella serving as program chairman.

Next Monday night, the Truckee Rotarians will be host to the Nevada City and Grass Valley Clubs in a joint meeting to be held at Donner Summit Lodge.

Paul Leake, Third District member of the State Board of Equalization, will be the speaker.

Protests Are Voiced Over Boehm Transfer

A number of protests over the proposed transfer of E. E. (Pike) Boehm, Truckee forest ranger for the past six years, to Susanville, have been voiced locally. Business men and others throughout the area have voiced disappointment over the proposal, charging that Boehm has rendered excellent service for the Forest Service as well as his district.

Guerdon Ellis, supervisor of the Tahoe National Forest was here briefly Wednesday and discussed the matter with local people.

Dr. Hahn Honored For Activities In Local Patrol Work

Dr. Reynolds Also Receives Special Award For Summit Work

Dr. George A. Hahn of Truckee has been signally honored by the National Ski Patrol for his activities among skiers during his practice in this region.

The citation came recently from Edward F. Taylor, national director of the National Ski Patrol System at Denver, Colorado, supporting a recommendation by Jack Marturno, section chief, and William F. Cameron, divisional chairman of the Far West Ski Association.

The recommedation read in part: "We recommend that Dr. Hahn be given an honorary membership in the National Ski Patrol System for his assistance, guidance and kind understanding of patrol problems in the Donner Ski Resort area."

Taylor in his citation said: "In so many instances professional people with your skill have to be content with the knowledge of a job well done.

"You will receive the fifth honorary national star to be awarded. May I add the thanks of thousands of patrolmen for your unselfish service."

Also honored was Dr. Ralph Reynolds of San Francisco, who has a cabin near Soda Springs and is well known throughout the area. Dr. Reynolds was awarded the fourth honorary star even presented by the national organization.

May-Ham Proves Huge Success Here; Plan Show at Kings Beach

Climaxing a successful two-night showing of May-Ham in the Studio, the large cast and production staff held a party following Saturday's performance and Hugh Smith, the director, was presented with a gift for the time and efforts he devoted for several weeks before the benefit program. The affair was sponsored by the Truckee 20-30 Club.

Local people responded enthusiastically as an audience with the cast in turn showing their appreciation by giving performances worthy of seasoned troupers.

It has been proposed that the show be presented at Kings Beach and V. C. Shattuck, manager of the Tahoe Theater there, has offered the use of the theater. A tentative date for next Thursday evening has been set.

Summit Temple Installs Officers Here May 27th

Summit Temple No. 79, Pythian Sisters, will meet Thursday, May 27th when installation of officers will be held.

Beverely Wilson will be the officer in charge of the ceremonies when officers elected to fill the recent vacancies on the staff will take their chairs.

Alta Van Sickle, most excellent chief, will preside. Refreshments will be served during the social hour and all members are urged to be present for the affair.

Young Urges Hearing On Highway 40 Bill

From Washington came word that Representative Young, Republican of Nevada, wants a congressional hearing on pending legislation to widen Highway 40 over the Sierra Nevada.

Young this week wrote the House Public Works Committee: "If the agenda of the regular Public Works Committee is already crowded perhaps it would be possible to set up a special subcommittee . . . "

He has introduced a bill to authorize spending $16,000,000 over a four-year period to widen the highway to four lanes from the Nevada line to the San Francisco Bay area.

PERMITS AT GATEWAY

Fire Chief N. F. Dolley this week announced that fire permits may now be obtained at the Gateway Bottle Shop for residents of that area. Permits are also being issued by Bud Owens, Glenn Coffey and Chief Dolley, officials of the Truckee Volunteer Fire Department.

SUNBEAMS

By WALTER M. BARRETT

This is the year and this is the season when we are favored with frequent visits from office-holders and office-seekers. We are glad to see them, one and all, and wish they would come around even more often. Fortunately, we do have a few officials who have a real personal knowledge and concern regarding our local problems. During the years he was lieutenant governor, Goodwin J. Knight several times visited the high Sierra, not as a vacationist but as a state official genuinely interested in the requirements and desires of the area and its citizens. Since he has become governor, local individuals and groups have had frequent occasion to call on him. Whenever it was at all possible, such requests have always met with prompt action. In all cases, the people from this region have been received with courtesy and with a genuine desire to be of assistance. The Truckee, Tahoe and Donner area have a friend in the governor's office at Sacramento. Because of this and because of his generally recognized ability as an outstanding and human administrator with a firm grasp on the problems of our great state, we believe Goodwin J. Knight deserves the support of all the voters of the Sierra Nevada in his campaign for election as Governor of California at the primary election on June 8th.

VOTERS ARE ASKED TO TURN OUT FOR SCHOOL ELECTION

Although there is apparently little interest in the Tahoe-Truckee Unified School District election tomorrow, voters are urged to take time out to cast their ballot.

Two names will appear on the ballots, for the one vacancy on the governing board, but one, Melvin Jones of Tahoe Vista has announced he does not wish to serve, leaving only Fred Pedley, the incumbent, representing the Soda Springs area, the only active candidate.

Polls will be established in all the elementary schools in the district and will be open from 1 to 7 p.m.

FATHERS, SONS AT LIONS MEETING HERE

Eighty-two fathers and sons attended the dinner meeting of the Truckee Lions Club at Donner Lake Lodge last night, with C. R. Heller presiding and Earl Stice as program chairman.

An appropriate talk was given by William E. Dorsey, field executive for the Boy Scouts of America who was visiting here from Grass Valley.

FISHING REPORTED ON TRUCKEE RIVER

Reports are coming in that a number of fishermen are violating the law by fishing along the Truckee River between Boca and the state line.

Some of this may be in ignorance but regardless of that, Charles V. Osburn, president of the Truckee Outdoor Sportsmen, said, it should be stopped as a benefit for those who are anxiously awaiting the legal opening of the river and the other streams in the district on Saturday, May 29th.

Fish and game officials are being notified of the persistent and frequent reports.

RUMMAGE SALE

The rummage sale to be held in the Community Methodist Church will open at 10:30 on the mornings of May 21 and 22. The W.S.C.S. is asking for articles which will be picked up. Those wishing to contribute may phone 221 or 144.

Wedding Anniversary—

Mr. and Mrs. H. T. Langille who recently returned from a Mexico vacation, celebrated their wedding date on May 14th.

Four Car Wrecks Are Reported In Area During Week

Two Go To Hospital After Series of Crashes Near Here

Four motor vehicle accidents, none of them causing serious injury but resulting in heavy property loss, were reported by the California Highway Patrol for this week.

Francis R. Patalon, and his passenger, Rita Roberts, both of Sacramento, were taken to the Tahoe Forest Hospital Saturday night for treatment of minor injuries after their car was apparently forced off Highway 40 two miles west of the Donner Lake gates and was wrecked.

Patrolman Carroll Maynard said investigation substantuated the driver's story and no citation was issued.

Twenty-eight feet of bridge railing were torn out at Hirschdale early Monday morning when a car driven by Silvano Rublcaba, living at Floriston, skidded while he was traveling east.

Patrolman Roy Stallard reported that Rublcaba was apparently exceeding the basic speed limit, driving without due caution and driving without a license.

Mrs. Jean Sage of Truckee had only minor injuries after her car struck the rear end of another machine driven by Garland D. Connors of Seattle three miles west of here Sunday morning.

Connors told Patrolman Maynard that he stopped to avoid striking a deer on the highway and the Sage car following, hit his a blow and then ran up an embankment.

Mrs. Miriam E. Helsom of Sacramento was cited for driving on the wrong side of the road, according to a report by Patrolman Martin Sturcke, following an accident one mile west of Soda Spring last Thursday.

Some damage was done the car when it struck a truck driven by A. C. Bosselman of Boise, Idaho.

No one was badly injured in the mishap.

MRS. WRAY WILL CONTINUE WOOD WORK AT TAHOE

TAHOMA — Mrs. Robert J. Wray is continuing to manage the work of her husband while the latter is recovering in a Reno hospital from recent serious burns.

Mrs. Wray said that the work of tree surgery, trimming, topping and kindred duties are being capably handled by her husband's staff of experts. She is also conducting the wood business and the agencies for power saws, a business which her husband had developed during the past few years to a thriving industry.

All workmen and work is being fully covered by insurance, Mrs. Wray said.

Absent Voters Reminded To Procure Ballots Soon

County Clerk Ralph E. Deeble reminded voters this week that now is the time to apply for absentee ballots for the June 8th primary election.

Persons who are not able to be at the polls by reason of physical inability, or persons who plan to be out of town on election day are urged to make their application soon. Deeble reports that approximately 100 absentee ballots were handled by his office by mailing time Tuesday.

June 3 is the last day on which applications may be made.

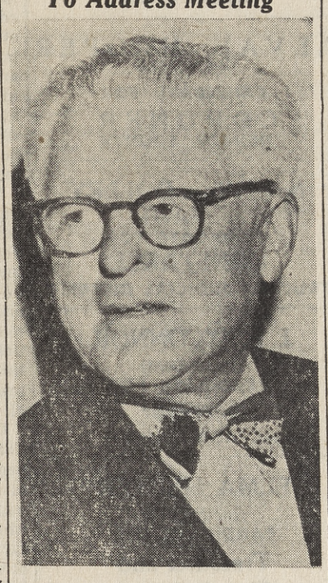
Placer Board Opposes S. P. Dropping Trains

The Placer County Board of Supervisors has filed a protest with the state public utilities commission against the proposal of the Southern Pacific Company to discontinue the service of trains 25 and 26 running between Sparks, Nev., and San Francisco.

Observes Birth Date—

Mrs. Roxie Archie observed her birthdate on May 15th, Mr. and Mrs. Al Ring of Auburn being here for the family gathering at Gateway Motel.

To Address Meeting



Paul R. Leake, third district member of the State Board of Equalization, who Monday will address a joint meeting of Rotary Clubs from Truckee, Grass Valley and Nevada City, and their guests at Donner Summit Lodge. Leake will discuss the state's liquor control problems and some of the needed reforms which he proposes. The speaker is a candidate for election at the June 8th primary. He has long been publisher of the Woodland Daily Democrat at Woodland.

Technicalities Forbid Posting Trout Creek For Children's Fishing

A program proposed by the Truckee Outdoor Sportsmen to post Trout Creek as an exclusive fishing area for the young children of the community was blasted this week with receipt of a letter from the J. Hofert Company of Seattle, refusing permission unless certain precautions to protect the owners were taken.

The major Christmas tree firm controls the lands on Trout Creek from Truckee north a distance of some two miles, Charles Osburn, president of the Truckee Outdoor Sportsmen, said. This is the area which members of the club wanted to reserve for the children and the Cub Scouts had been looking forward to clearing the area and aiding in planting it with trout later this summer.

The letter from Herbert A. Tubbs an official of the concern asked the local club to provide ample insurance and submit a contract fo rthe company's approval at which time the request would be give further consideration. Osburn indicated the local club will drop the matter until a spokesman for the company can be contacted personally and an exlanation can be made of the wishes of the local club.

In the meantime, local fishermen are being urged by the Sportsmen to refrain from using Trout Creek, regardless of the posting, so that the youngsters will have a fishing area.

WIFE OF DONNER LAKE RESORT MAN EXPIRES

Funeral services were held last Saturday afternoon in Reno for Mrs. James W. Bradshaw, wife of the manager of Donner Lake Lodge. The rites were under the auspices of Nevada Chapter No. 13, Order of Eastern Star.

Mrs. Bradshaw was born in Emigrant Gap February 25, 1905 and went to Reno with her parents, Mr. and Mrs. Joseph Cupples when she was a child.

She is survived by her parents, her husband and a son, James H. Bradshaw, Jr., and a daughetr, Miss Lila Bradshaw and two sisters, Mrs. Howard Jones and Mrs. R. B. Marsh all of Reno and one brother, W. A. Cupples of Red Bluff.

Horse for Birthday

Barbara Brown, who will celebrate her birthdate on May 22, has received a saddle horse as a gift from her parents, Mr. and Mrs. Earl Brown. Her father's birthday will occur on May 28th and her mother's was on May 9th.

TAHOE BANK OPENS SOON

TAHOE CITY— The Tahoe City branch of Bank of America will open its doors for the summer season on June 1st. In charge will be Steve Pelayo, who will be assisted by other cashiers.

Several Changes In School Staff As Year Nears Close

Bergen Leaves As O'Rourke Named Principal At High School

A number of changes in the faculty of the schools in the Tahoe Truckee Unified District were announced this week by Superintendent Everett V. O'Rourke.

George Bergen, principal at the Tahoe Truckee High School for the past two years, is not renewing his contract, O'Rourke said. Bergen has interests in Redondo Beach and has accepted a position in the schools there. His administration here has been highly praised by the governing board and he will be missed.

O'Rourke was named by the governing board at last Tuesday's meeting to succeed Bergen and Conrad Briner, a member of the faculty, has been chosen as the assistant principal. Briner, a graduate of Stanford University with a master degree in education, has been teaching science, English, social studies, math and physical education at the high school here.

Another high school faculty member leaving at the close of the current semester is Ronald Eberhart, business education instructor, whose position is still to be filled.

Robert Briggs, who is leaving to get his doctor's degree at Greely Colorado, is being replaced on the high school faculty by Robert Madge of Oakland, a graduate of the California College of Arts and Crafts. Briggs has been on the local faculty for four years.

Mrs. Briggs, principal at the Tahoe Lake Elementary School, is accompanying her husband to Colorado and her place is being taken over by Mrs. Ruth Roberson, currently teaching the fifth grade at the Truckee Elementary School. Mrs. Roberson's post is still to be filled.

Music instructor Joseph Mustol is not renewing his contract and will return to commercial music and is being replaced on the local high school faculty by Joseph Kreidt, a graduate of San Francisco State College with a master degree in music, who has been teaching at San Francisco City College.

Mrs. William Frey has resigned her job and will join her husband now serving in the armed forces. She is being succeeded here by Charles Redd of Oakland, graduate of the University of San Francisco who is completing his studies at the University of Mexico.

Miss Patricia O'Brien, Truckee Elementary School teacher, is joining an air lines company as hostess and will be replaced by Mrs. Alysmae Schultz of Kings Beach, formerly of Burbank.

Miss Marilyn Baker is leaving her work as kindergarten and first grade teacher at Kings Beach and Miss Lenore Knudsen of San Francisco, a graduate of San Francisco State College will replace her.

Mrs. Patricia Butterfield of the Tahoe Lake School has been appointed consultant in speech and corrective reading for the district schools and her job will be filled by Mrs. Lillian Vernon Farr, daughter of Mr. and Mrs. C. W. Vernon of Tahoe City.

Schools in the district will close for the summer recess on June 4th.

FATHER BRENNAN HONORED AT PARTY

Approximately 100 friends of Father Ronan Brennan of the local Catholic Church, assembled at the Tahoe Inn at Tahoe City last Thursday night to give him a reception prior to his departure on June 13 for a visit to his native Ireland.

A major surprise was a miniature tree which blossomed with more than $300 in currency to assist the popular priest on his trip.

Lew Baysinger was master of ceremonies and a dance and buffet were enjoyed.

Father Brennan will return to Truckee in September.

Tahoe Boy Injured In Accident At Home

Little Dan Dempsey, 22 months old son of Mr. and Mrs. Lincoln Dempsey of Tahoe was treated at the Tahoe Forest Hospital Monday for a badly bruised arm as the result of having it caught in an electric wringer at his home. He was released after treatment.

Mrs. Dolley Teaching Scouts Art Technique

Mrs. N. F. Dolley is teaching the Girls Scout Troop No. 2 and the Brownies Troop No. 1 the art of floral arrangements.

The two troops have opened the annual cookie sale this week and orders are being taken for later delivery.

Donner Theater is preparing to show a film on Girl Scouting, the date to be announced later by Mrs. Pedley.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO, (CNS)— Even a dog burries his bones but this isn't true of the 'litter-bugs' who seem to enjoy cluttering up California's highways, by-ways and the scenic attractions.

The situation has become so annoying that even Governor Goodwin J. Knight has taken a hand in asking the people of California to cooperate in road-side cleanup programs.

Pictures taken have been published up and down the state showing many sections of highway messed up with papers, tin cans and other debris that properly belongs in the garbage can. Of course, there are few garbage cans along the highway and nobody would stop anyway to use them, but there are such things as paper bags that can be carried in an automobile and later dumped in the can at home.

It is small wonder that California highways are gecoming the receptacle for an increasing amount of debris tossed out of cars by the unthinking motorists. The increased population, which means increased travel, and the fact that more than six million vehicles are licensed to use the highways in this state, not to mention the visitors who come in from other states, all contribute to more debris.

Of course, in the earlier days of California, there were not so many people and the occasional toss out of a paper bag from the horse and buggy created no problem. Neither were there so many cans and in fact, there weren't any beer cans at all because that was before they had thought of canning beer.

Of course, there were other problems in those horse and buggy days but the birds solved at least part of them. But as far as is known, nobody ever heard of a bird even pecking at a beer can.

Governor Knight waxes poetic in asking cooperation for clean highways.

"Throughout the year," he says, "California offers extensive and matchless attractions for residents and visitors who travel over our fine highways and roads. Our mountains and deserts, our valleys and seacoast offer unsurpassed scenic attractions and recreational opportunities.

"The accumulation of unsightly and unsanitary litter, rubbish and garbage along our highways in the rural areas of California is a matter of serious concern to numerous civic and governmental agencies. The thoughtless practice of disposing of refuse at roadsides by motorists apparently is becoming more aggravated each year despite the expenditure of large sums of money—much of it derived from tax sources—for cleanup and proper disposal.

"While our state enjoys a year-around tourist and recreation business, the summer months bring a substantial increase in the use of highways for travel and recreation. with this acceleration, I hope all Californians will make every effort to become familiar with the highway cleanup programs being actively promoted. Only through full, active cooperation of all the people can we preserve untarnished our state's natural beauties by halting the costly and undesirable practice of dumping waste materials beside our roads."

So the conclusion is that it's your own business if you throw garbage on the floor at home, but it's everybody's business if you throw it along the highways.

Most Legislators See Knight Victory

While 88 of California's State Senators and Assemblymen are convinced that Governor Knight will be relected, only 8 believe Graves will win. This information was released after all but 6 of the 120 members of the legislature had been polled on the question "Who do you think will be elected Governor of California—Knight or Graves?"

A breakdown of the poll shows that nearly twice as many Democratic legislators believe Knight rather than Graves, their party's candidate, will be elected.

An equally large number of Democrats replied with "No comment."

Of the six legislators not reached, 3 were Democrats and 3 were Republicans.

While 14 Democrats were convinced that Governor Knight would be returned for another full term, not a single Republican thought Grave would win. Only one Republican said "No comment."

No attempt was made to find out the personal preference of any legislator, but only their prognostications as to the outcome of the election.

Contemporary murals decorate the interior of the first and second floors of Coit Memorial Tower in San Francisco.

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1954 to June 30, 1955 has been adopted by the Fire Commissioners of the Truckee Fire District, said budget being:

Maintenance and operation	$3,880.
Capital outlay	4,120.
Total	$8,000.

Said budget is available at the office of R. N. Little, Truckee, Nevada County, California for inspection by interested taxpayers.

The Fire Commissioners of the Truckee Fire District will meet at the office of R. N. Little, Truckee, Nevada County, California at 10:00 A. M. on June 22, 1954 for the purpose of fixing the final budget for the District. At that time and place any interested taxpayers may appear and be heard in regard to the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

R. N. LITTLE,
Secretary Truckee Fire District- Fire Commissioners.
Dated May 11, 1954.

Pearce, residing in Truckee, California, intends to sell and transfer to Geno Giovannoni and Mary Giovannoni, who reside at 2240 Pyramid Way, Sacramento, California, all of his partnership interest in that certain On-Sale liquor business, known at Tourist Cafe, situated on Commercial Row, in the town of Truckee, County of Nevada, State of California, together with all his interest in the stock in trade, furniture, fixtures, furnishings, signs and leashold interest belonging to said business, and situate in the said premises and together with the following described liquor license, to wit:

On-Sale General License No. P-26604

on the 28th day of May, 1954, at 2 o'clock, P. M. in the law offices of Francis W. Robichaud, Masonic Building, Truckee, California.

The consideration for the transfer of said liquor license and the vender's interest in said stock in trade, furniture, fixtures, furnishings, signs and leashold interest will be paid at the time and place of sale.

Dated: May 13, 1954.

THOMAS J. PEARCE
Intended Vendor-Transferor.

Subscribed and sworn to before me, this 13th day of May, A. D. 1954.

R. N. LITTLE
Notary Public.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

May 12, 1954

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Tourist Cafe, Commercial Row, Truckee, California.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license for these premises as follows:

On-Sale General.

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

NORTH TAHOE

By JUDGE HARRY CHARRISON

One of the finest coordinating meetings that has been arranged in this area was held last Monday at the State Beaches and Parks Department building at Tahoe City. The meeting commenced at 10 A.M. with a splendid representation from the California Highway Patrol in the persons of Sergeant Ed Freeman, Tom F. Sheehan and Carroll Maynard; the Beaches and Parks represented by Donald Rich, Darrell Knoeffler, R. Hiller, J. Biggio, D. Williams, R. Stinchfield, H. Habel, L. Griffith; the Fish and Game by H. Mefford; the Placer County Constable Harry Johanson, the Judicial Department by Harry Charrison, Judge Fosten Wilson of Truckee and Judge Buchanan of El Dorado County. A true and false questionnaire took up some time. Court procedure, park problems, health and safety problems and the necessity of permits in the parks were all discussed. Sergeant Freeman was moderator for the questionnaire and Knoeffler was moderator for the remainder of the proceedings. Oh, yes, a delightful lunch was served by the wives of the members of the parks department.

Saw Mrs. Klein of the Falcon Lodge at Kings Beach way up on top of the roof and doing a real swell paint job. The whole building is a real credit to the community. Here's hoping for a big summer for them.

Was talking to Father O'Niell and Father Brennan last week and was told that on and after Memorial Day, May 30th, the Catholic Church at Kings Beach, Our Lady of the Lake, will hold mass at 8 a.m., 10 a.m. and 11:30 a.m. There is a new Werlitzer organ which is played by Mrs. DeGregorio, and a new altar presented to the church by Mrs. Marchbank. I am also told that Father Brennan will be visiting his homeland, Ireland around June 15th.

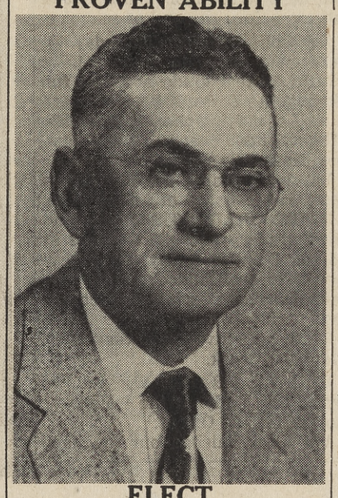
HAS EXPERIENCE AND PROVEN ABILITY



ELECT
Emmett (Mac)
McCRARY
Sheriff
of
Placer County
Primary Election June 8th

We are all happy that the new apartments that have been built for Pastor and Mrs. Covher, above the Wee Kirk 'o the Pines, are just about ready for occupancy. We hope they will be very happy and comfortable. The services Sunday were well attended and another face, that of David Germaine of Truckee, appeared in the choir. The sermon was on the Great Commission and was very inspiring. We are hoping that open house can be held at the new apartments Sunday so be sure and go to Sunday service. It is also said that a group of members will soon start to gather the amount of the pledges that we hope will be forthcoming from our friends and members. The regular ladies' meetings are held in the church fellowship hall on Tuesdays at 2 p.m.

The meeting of the Lions at Cal-Vada Lodge last Saturday night was a real success, members attending from Grass Valley, Colfax, Auburn and Truckee. Lion Marshall Porter of Grass Valley, the zone chairman, took over the meeting from President Mel Throop. An orchestra supplied by Joby Lewis played during the meeting and for dancing afterward. It is hoped the district convention can be held here in the near future. Dick and Ruth Lavery, Bill and Bonnie Bates, Arnold and Sophie Meidema and Bill Scott, Auburn police chief, were among the guests at the affair. It was a great night and thanks to Joby.

Had a nice visit from John Holtz and Mrs. Holtz, the former a brother of the late Frank Holtz who had just returned from a trip to Detroit to pick up a new car and then on to Wisconsin where they visited their son and daughter in law, not having seen the latter before. It was all more than interesting to them and now they are leaving for their home in Oregon after enjoying the lake.

Mrs. Bradley Wallace was up for a few days from San Francisco and is contemplating extensive repairs and alterations to their home on the Brockway hill. Mr. and Mrs. Wallace will return very soon for the summer.

Also, Mrs. Francis Wallace of Brockway is planning to move into the beautiful new home down by the lake. The terrace of the home gives a beautiful view of the lake.

The Moseleys are back at their new home at Tahoe Vista. He is in the house painting business and built the home before leaving for the winter.

Our old friend, Annie Blaue the globe-trotter, was back at church this week and looked wonderful, too. Said she had a beautiful trip over the country and looking forward to going again this fall. Can you beat that?

George Phillips of Sandy Beach Hotel, at Tahoe Vista, is reported to be back for the summer.

Gene Jarvis of Eugene's Chateau at Crystal Bay, tells me he is making some improvements of his railroad that takes people down to the lake. Quite an experience, too. Gene has the cutest patio, all rocks around covered with flowers and four miniature fireplaces and is now installing radiant heat. A most beautiful sight in the evening.

The Brockway golf course is now open, adding a lot to the activities around Kings Beach.

Among the old timers seen back in the area was Mrs. Dickow and Mr. and Mrs. K. O. Harried. The Harrieds were here on occasion of the birth of a fine baby girl to Mr. and Mrs. Ray Plunkett who live at Crystal Bay. Mrs. Plunkett is the daughter of the Harrieds. The baby was named Susanne Marie and was born at the Tahoe-Carson Hospital on May 12th. Congratulations to the happy mom and pop for their third.

Yes, sir, Saturday night is the night for the formal opening of the Buckhorn Inn dining room. So says Theresa Sutton, the high mogul of the establishment. Theresa says to come as you are, formal if you want. It promises to be a great night, with everything your heart desires. Saturday, May 22nd.

Carmel Throop informs me that her daughter, Connie Johnstone and husband, Jerry, are still living in Massachuetts and by all accounts are doing real swell. Jerry has been doing parts in a stage show and is developing into a real actor. Connie is the only daughter of the Throops and is just longing for a breath of the pines at Tahoe.

Among those up at Kings Beach over the weekend were Mr. and Mrs. Davis and a number of guests who opened their house on the golf course and expect to be up for the summer in a few days. They winter in Reno.

Mr. and Mrs. Arthur H. Bibbern have opened their nome at Tahoe Vista.

A. J. Ketman, our real estate broker, has been opened up now for the past couple of weeks and is hoping his good wife will arrive very soon. This batching is not what it's cracked up to be, he says.

Two pieces of property have changed hands in the past few days. That of Floyd Lowe of Kings Beach and Bud Whaley of Tahoe Vista. More about this next week.

Elsie Martin's real estate office in Tahoe City has been opened up.

TO THE VOTERS OF PLACER COUNTY

I, Edgar J. (Jim) Kenison, ex-Sheriff of Placer County, being unable to meet all my friends of Placer County, take this way to inform you that I endorse a candidacy of AUGUST G. BIANCHINI for Sheriff.

I have known Mr. Bianchini for the last 18 years, during my first four years in the Sheriff's Office, he served as Special Investigator. Knowing him as I did, he was assigned to head the Juvenile Problems. Knowing he had been head of many organizations, mostly consisting of youth, a job he handled without difficulties. He has helped many youths, who now have grown to a voter's age and they embrace his candidacy 100 per cent. I have talked to Mr. Bianchini and he has a solution wherein he can save the taxpayers from $15,000 to $20,000 a year.

I also see it as Mr. Bianchini does. Our youths are good, they just need guidance. Looking back over the record when I was sheriff, Mr. Bianchini was my special investigator and we didn't have the trouble with youths then as we do now. You help the kids, they will cooperate.

A hint to the wise is sufficient for better protection—for your youth farmers and outlying districts. I urge you to vote and elect AUGUST G. BIANCHINI for Sheriff of Placer County.

I endorse his candidacy for Sheriff of Placer County.

There are no substitutes for experience.

E. J. KENISON
Ex-Sheriff of Placer County
Auburn, California

Mild Weather At Lake Tahoe Predominates

TAHOE CITY — The level of Lake Tahoe Monday stood at 6228.-44 feet with only one gate open into the Truckee river.

Unseasonably warm weather has continued for the most part, with the temperature ranging from 68 to 72 each day and dropping to only 32 to 44 at night.

No precipitation has been recorded for more than two weeks.

Tahoe-Truckee School District News

Donner Trail School

Our younger group of children were studying the birds and their habits and communities. We decided to build a small bird house for the little family of swallows that we have in our yard. We have finished the house and will paint it and have it ready for the birds by Monday. We discovered that birds like to be in communities and will wait and travel with other birds just to be with company.

Since our walk last week we have brought many insects to school to discuss and look at. We hope that next year we can start a new collection for our room.

Tahoe Lake School

KINDERGARTEN AND FIRST GRADE: The first graders finished a reading unit on "Friends at Work' this week.

The kindergartners put finishing touches on their sailboats and posed for a picture with their projects.

FOURTH, FIFTH AND SIXTH GRADES: We have begun a four-week study of world geography. This study will attempt to acquaint us with many cities, countries, rivers, lakes, etc., found throughout the world.

Carolyn Henry, fifth grader, returned to our room last week. We now have 31 students in our class.

We have also been studying food and eating habits.

In our recent class elections Gary Henry, Billy Conners, Jeff Davis and Kenny Wilson were elected to the safety patrol, with Kenny being the captain. Other persons elected to positions include: Steven Randall, Bill Werner, Jimmy Heuga, Diane Speeter, Sherry Briner, Joan Pomin, Bruce Scott, Sherry Thatcher, Trent Giannini, Parky Bechdolt, Randy Pomin, Albert Gelmstedt, Bobby Porter, Jerie Sheehan, Judy Fanger, Doug Ball, Roberta Buford, John Gorham and Chris Poulsen.

Our final school assembly for the year will be on Friday, May 28th at 10:30 to 11:30 a.m. All parents are invited to attend the program.

Kings Beach School

KINDERGARTEN AND FIRST GRADE: Sean Kelly has entered the kindergarten class from Menlo Park.

We had a large group of children register for kindergarten next year. Twelve were registered and two others missed the registration, which makes at least 14. We thank Mrs. Alton Wagner, county supervisor of instruction, for assisting in the registration. Dr. Sklar examined the children assisted by Mrs. Charlotte Patnoude, district nurse, and Mrs. Mae Critchley.

Mrs. Hugh Smith has been our teacher since Miss Marilyn Baker has been absent because of illness.

SECOND AND THIRD GRADES: Thursday and Friday Mrs. Wing read "The Hundred Dresses", a book written by Eleanor Estes. After listening to the story, we role-played it.

Wednesday was bank day. We won the banner again because our class banked the most money. This makes three weeks in a row that our class has had the thrift banner.

Suzie Lucas brought her golden goose record to share with us Tuesday.

Mrs. E. Comstock, owner of the Brockway Hotel, visited our classroom Friday. We were happy to have her visit and hope she comes again.

FOURTH, FIFTH AND SIXTH GRADES: We have been studying about New Zealand this past week.

Mrs. Gonsalves, county supervisor of instruction, visited our class last Tuesday. She was surprised at our achievement of selling subscriptions to magazines.

Truckee Elementary

KINDERGARTEN: Members of our class were busy this week constructing a mural depicting spring, which at present adorns the back bulletin board. Each child made some contribution to the picture.

On Friday the kindergarten and first grade went to Donner Lake for a class picnic. Several mothers prepared fruit juice punch for everyone and we want to thank the mothers who attended for making our picnic enjoyable.

FIRST GRADE: The first grade went to Donner Lake on Friday for their school picnic and we wish to thank the mothers who helped.

We had several visitors this week and hope to see more mothers and fathers before the end of school.

SECOND GRADE: Thursday we went on a picnic to Donner Lake with the third grade and had fun playing in the sand on the beach as well as playing games. Mesdames Ellis, Hintz, Barnes, Miller and Deming went with us.

We are learning the half hours and quarter hours in telling time.

THIRD GRADE: The second and third grades enjoyed a picnic at Donner Lake Thursday and we say thanks to each and everyone who helped make it such a perfect success.

Tests were given this week in all our basic work.

FOURTH GRADE: We are enjoying our study of the islands of the Pacific and Orient.

We have finished our language books and the "On the Road to Storyland" group has completed their books.

FIFTH GRADE: In arithmetic we are learning about rectangles and perimeters. Our projects are almost completed and we are writing stories about how we did them.

Drew Weyman and Quinton Kay Kay have made a nice relief map of the United States east of the Mississippi river.

SIXTH GRADE: We have had an arithmetic test on counting, liquid measure, weight, length, surface and square measure, and time.

The sixth grade is having a picnic-party and is going swimming and fishing on June 3rd at Donner Lake.

Mrs. Roberson came in and gave us some lessons on design in art Thursday.

In baseball we play against the fifth grade at the Truckee ball park Friday, May 21st.

TAHOE CHURCH GETS NEW ORGAN

TAHOE CITY — The little Corpus Christi Chapel near Tahoe City boasts a new electric Wurlintzer organ this summer, thanks to the pastor Father Patrick O'Neill of Truckee.

Mrs. Pete Vanni of Tahoe City is organist and a choir of local voices is being organized, the group singing for the first time at last Sunday's services. Mass is heard at present at 8:30 a.m.

P. R. Murray writes that he enjoys keeping up with the Lake news through the Sierra Sun and that he will be back at Tahoe Vista this week.

"Speeders" speed up line patrolling. Many of Pacific Telephone's long distance lines must cross rugged country that's hard to reach on foot. But in cases where out-of-the-way lines parallel a railroad, telephone crews often patrol them in specially designed speeders like the one above. Summer or winter, these handy little vehicles click off mileage in a hurry, hustle men and equipment to make repairs when they're needed. By saving valuable time, they help us cut costs, hold down the price of telephone service. **Pacific Telephone works to make your telephone a bigger value every day.**

PRIMARY ELECTION JUNE 8TH

New Boat Motor Stops Most Noise

Outboard engineers, whose research shows that it's the boat and not the motor that causes most of the noise, have come up with a solution.

First shipment of a new motor based on that research, a 5½ horsepower model described by its manufacturer as the first "truly quiet" outboard, is being displayed by the Tahoe Boat Company, Johnson Motors dealer at Tahoe City.

Fred Main, manager of the Tahoe Boat Company, said the new motor, the Sea-Horse 5½ is a revolutionary "suspension drive" design which virtually eliminates the noise by absorbing sound-vibrations before they reach the boat. He said engineers found that the boat is a sounding board, like a violin, in amplifying tones.

In announcing the 5½, the manufacturer described it as so quiet the slap of waves is audible over the purr of the motor. In the Johnson line, it replaces the Sea-Horse 5, which long has been the world's largest selling outboard. Among the new features are twist-grip control, full gear shift (forward, neutral and reverse) and separate plug-in 4-gallon fuel tank.

Main said that the 1954 Johnson 10 will be quieter than the '53 model due to carburetor silencers, and that both the 5½ and 10 have a motor hood which may be completely removed in a few seconds without tools.

The firm's 3 and 25 horsepower models are being continued without major engineering changes.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the superintendent, Truckee, California, on or before, and no later than, Tuesday, the 8th day of June, 1954, at eight o'clock P. M., at which time and place bids will be opened for the purchase of one Chevrolet station wagon, or equal, and one four-door sedan, in accordance with the specifications on file at the office of the District Superintendent of Schools.

By order of the Governing Board.

HENRY FAMILY AT TAHOE COMPRISES AIR WATCH UNIT

TAHOE CITY — Mrs. Marie Henry, supervisor of the airwatch station at Tahoe City for the U.S. Air Force Ground Observer Corps this week is sending out an earnest plea for additional help in manning the local station throughout the summer months.

At present the post is being maintained entirely by members of the Henry family, including the three grandchildren, who dash in and report all planes in the vicinity when the elder members are engaged indoor and not likely to note them.

The youngsters include Karen and Gary Henry, children of the Al Henry Jr., and five year old Mary Tabor Griswold, daughter of the Henry's daughter, Mrs. Malcolm Fox of Reno, who is staying with the Henrys.

The senior Henrys, Mr. and Mrs. A. M. and the junior Henrys, all donate their time to the task and only Mrs. Henry's mother, Mrs. Mary Planett, who is past 80, does not take part in reporting since her hearing is not as good as it used to be. So the Tahoe post is actually manned by a one-family crew which has carried on since establishment last year.

Anyone who is an American citizen, able to hear and see, is able to serve, and there is no age limit. Clear and simple instructions will be given applicants by Mrs. Henry at the Tahoe City Garage where the reports are made.

Shifts of two to four hours are desired and watchers may even sit in front of the garage while making observations. Only daylight hours are being monitored at the present time. Following 36 hours of watching the volunteer becomes a qualified observer and is awarded the airforce wings in appreciation of services rendered.

Other stations are being operated at Kings Beach, Bijou and at Meyers on south Tahoe.

Returning for their annual vacation at Tahoma, the A. R. Specht family of San Francisco will open their place this weekend.

NOTICE OF SALE OF AUTOMOBILE BY LEIN CLAIMANT

NOTICE IS HEREBY GIVEN that pursuant to Sections 427 and 428 of the Vehicle Code of the State of California, the undersigned, Anthony Ghirard will sell at public auction at Truckee Garage, City of Truckee, California, at 10 o'clock A. M. on the 10th day of June 1954, the following described property, to-wit:

Howser Objects To Easy Source For Dope Addicts

LOS ANGELES — Former Attorney General Fred N. Howser, seeking reelection to that office at the June 8 primary, this week blasted the plan, apparently approved by the incumbent, to establish California dope stations for confirmed narcotic addicts.

"Newspapers state that a Citizens Advisory Committee, appointed by the Attorney General, has recommended the establishment of these dope stations where confirmed addicts may procure narcotics inexpensively in contradistinction to the high prices demanded by illegal dope pushers on the theory such a program would eliminate the outlaw international narcotic traffic.

"This is wishful thinking and, in my opinion, it would serve only one purpose—a gigantic increase in the use of all kinds of drugs with the majority of those using them being able to purchase them at small cost with the benediction of the State of California.

"Evidentally the plan as projected by the incumbent's Citizens Advisory Committee, has his approval, or his quasi-approval, as it is his committee and as such, it insulates him against any political repercussions that might prove unprofitable to him.

"I spent four years as Attorney General of California and during that period I reached the conviction there is only one sensible and practical way to diminish the evil of dope—adequate financial appropriations for enforcement, tough and tight laws for those convicted of selling dope and an all-out effort to enforce these laws.

"I contend that the incumbent's plan would increase, not diminish the sale of illegal narcotics and would greatly add to the present number of those addicted to drugs."

POWERS SEEKING INCREASED BORDER PATROL BY U. S.

SACRAMENTO — The request of Lientenant Governor Harold J. Powers that addiitonal border patrol be effected by the United States government to prevent intrusion of narcotics into California has been brought to the attention of the U. S. Attorney General.

Powers made this announcement this week on receipt of a letter from U. S. Senator Thomas H. Kuchel, to whom he originally sent the request.

Powers said the state in two consecutive legislative sessions has increased penalties for narcotics offenders, and urged that the federal government now exert greater effort to cut off supplies flowing in from Red China and the Mediterranean area.

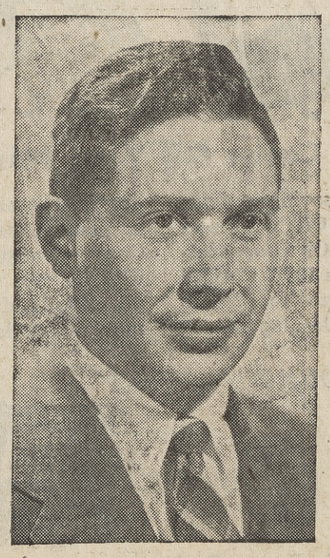
A PLEDGE TO THE PEOPLE OF NEVADA COUNTY



I, Harold A. Berliner, if elected District Attorney, do hereby promise:

1. To give equal consideration to ALL parts of the county, and to visit ALL areas regularly so that ALL citizensmay have a direct and personal contact with the office.
2. To vigorously and intelligently prosecute the guilty at the least possible cost to the taxpayer.
3. To unhesitatingly clear those who have been unjustly accused.
4. To ask for an appropriate penalty for all convicted criminals.
5. To be available to all citizens or enforcement officers, night or day.
6. To advise the County Supervisors to the best interests of Nevada County and its people, in a program combining wisdom and economy.
7. To be quick in matters which require speed but to be deliberate in matters which require research and consideration.
8. To recognize that Nevada County has a large proportionate share of senior citizens and to deal with their problems equitably and justly.

HAROLD A. BERLINER.

SWANEE'S Lake Tahoe Letter

Reno, Nev.
May 15th

Dear Tahoeites:

Am writing this letter from Reno where I am enjoying two weeks vacation this year. Have a few notes to donate to the Sun held over from last week . . . also would like to comment on the funaral of the late Charles Swanson.

The latter was buried in the peaceful little cemetery at Tahoe City on Friday last following services held in the Colonial Mortuary in Truckee, at 10 in the morning. Gene Risden of the Community Church in Truckee officiated and many lovely floral offerings adorned the small chapel. Pall bearers were Constable Harry Johanson, Jay Shontz, Clarence Vernon, Norman Mayfield, A. M. Anderson and Charles Spaulding all of Tahoe City; H. E. (Pappy) Brooks of Kings Beach, with whom Swanson worked on night partol for a number of years, William Steenis of Reno, and honorary pall bearer was one of his oldest friends, Carl Bechdolt, Sr., of Tahoe City. The only relatives able to attend the services were his daughter, Vendla, Mrs. Hugh Purcell of Saratoga, who was accompanied by her husband and son, Teddy. Mrs. Purcell has many friends in this area, having spent her childhood in the Tahoma district. A last silent tribute was paid the stirling character of the late Charlie Swanson when all the stores and bars closed for a period of two hours in respect to his memory. Tahoe has lost another of its fast diminishing pioneers, but the remembrances of his many kindly and generous deeds will linger on for always.

Have had so many nice letters and cards from old-time Tahoeites in the last week, all of which I deeply appreciated. One came from Mrs. Joe Duffee of Sacramento who still retains a home in Lake Forest with her husband, and there her daughter and family, the Charles Henricksons, are residents. She read the news in the Sierra Sun which they have continued to take through the years, and wouldn't be without. Now that they have their lovely home in Sacramento, they may sell their Tahoe property, but they still miss their many old friends in the lake region. Came, too, a cute birthday card for me and a pretty scenic postal from the galivantin' Carlton Valentines of Costa Mesa. They are spending a vacation of three or four weeks in Hawaii and wrote from Honolulu where two weeks were enjoyed. Then on to the outlying islands via plane. They are flying both ways and send cheery greeting to their Tahoe friends.

My neighbor on Fairway Drive, Mrs. Charles Warner, also dropped me a few friendly lines and a welcome home. On May 13th she and her hubby observed their 17th wedding anniversary with a trip to Reno scheduled for a bit of fun. May we add congratulations.

And among my mail was a surprise letter from one of Tahoe's earlier day residents, who, unlike most of us, has found many a heartache here. She is Mrs. Phoebe Darlin who wrote from Piedmont to express her sorrow at the passing of Mr. Swanson. The Darlins just returned from a trip to Europe in February and rented a house in Piedmont. The next morning she was stricken with a heart attack and was confined to the hospital for three weeks, followed by a month in bed. She says she is feeling fine again and we hope she will continue to enjoy the best of good health. She writes of another old-time Tahoeite, Mrs. Si Pierson, whose husband was for so many years in charge of the old Tahoe Mercantile Company here. Seems Alma is in a home in Berkeley where latest reports say she is doing fine.

A letter from Mrs. Leta Hull of Sebastopol regrets the passing of her old friend, C. A. Swanson, but like so many others commented on the wonderful way he went. She sent along an invite to come and visit, an invitation which I hope I can accept before too long. She still has her Mode 'O Day Shop and business continues good. The Hull's two sons are residing in Sebastopol and daughter, Florine and family are in Sacramento. Leta and Harvey plan a vacation trip and visit to the Tahoe are a soon.

The Sam Gosses recently returned from a three weeks vacation tour which took them to Santa Cruz where they visited with granddaughter, Leatrice and family, including four little sons and hubby, Chris Burmers. They also motored to San Jose where they were the guests of Sam's sister, Mrs. Fred Winterholder, friends at Campbell, and two more sisters, Mrs. William Johnston of Santa Cruz and Mrs. Al Blum of Capitola.

Guess Ronnie Sanford's mom, Mrs. Al Sanford, must be home by now to open up their resort, Sanford's Town and Country, near Sunnyside, for the season, Ronnie, who is attending junior college at Auburn, is a frequent visitor at lake where he visits over the weekends with friends. The Sanfords are enjoying real success with their new jewelry store, recently opened at Las Vegas.

Talked to Lewis Fellows, son of the Ray Fellows of Carnelian Bay, just before I left Tahoe and he and his mom had just returned from their wonderful trip to the famous skiing areas of Europe—a trip Lewis won for his superior skiing ability with the Tahoe club. The two flew to and from Europe leaving New York for Copenhagen via the Swiss Airlines, continuing over the continent by Scandanavian Airlines and to Paris and then by British Airlines to London and Scotland. With an itinerary which covered thousands of miles, they rode by train only from Zurich to Austria. One of the highlights of his trip, Lewis reports, was the privilege of skiing in Austria for a week in the company of the world-famous Austrian expert, Pravda. Their trip covered approximately three weeks and while they saw much of the old world, Lewis says they were thrilled to be home again, and would choose California ski trails any day to those of Europe. Am wondering how Lewis made out at the Mammoth Mountain meet held May 9th.

Have a card today from the Joe Soares of Porterville, well known at Tahoe, who report the arrival of a little son, Vick Joe Soares, 5 pounds, one and a half ounces on May 4th. Congratulations!

Will ringoff for this week and hope to be back on the job for the summer by Friday. A cheery adios to you all — As ever

SWANEE

Fish and Game To Discuss Special Deer Season Soon

California Department of Fish and Game has set the date of Friday, June 11 for a hearing on a special deer hunt in Placer and Nevada counties, the hearing to be held at Nevada City at 1 P. M., possibly in the courthouse.

Hearings on 12 applications for special deer seasons have been set by the fish and game officials.

The Nevada City hearing is termed Sierra No. 1 area and the request for the special deer hunt, sponsored by the Colfax Rod and Gun Club, calls for 1000 permits for deer of either sex. The deer hunt would be held in mid-October.

Nine ranchers are co-applicants with the Colfax Rod and Gun Club but so far they have not been identified.

Zone No. 2 embraces El Dorado, Placer, Sacramento and Amador counties and calls for 1000 permits for either sex at the same time. It is sponsored by the Gold Trails Grange.

It is believed there will be opposition to the special hunt in Nevada County.

Saturday is the most dangerous day of the week in traffic.

THE THREE MOST IMPORTANT REASONS WHY WOMEN WANT AN ELECTRIC RANGE

In a recent survey in a large eastern city, the wonem of that city gave as their three most important resaons for wanting an electric range the following:

FIRST: The old stove was inefficient, old fashioned and caused to much dirt.

SECOND: They wanted the new automatic timers, automatic oven controls, the improved broilers, two ovens and cleanliness that only an ELECTRIC RANGE can give.

THIRD: They wanted to be modern and up-to-date like their neighbors, and enjoy the fast, clean, cheap, modern way of cooking.

THE MOST USEFUL APPLIANCE IN YOUR HOME IS YOUR STOVE.
NOW IS THE TIME TO GO MODERN AND INSTALL AN ELECTRIC RANGE
They're Clean— They're Fast and They're Economical to Use.

GOOD WILL TOUR TO TAHOE PLANNED

TAHOE CITY— Fred Main, president of the Lake Tahoe Sierra Chamber of Commerce, reports that all is in readiness for the annual goodwill tour of the Sacramento chamber to Tahoe on June 4th and 5th. Lester H. Stanbrough has been named as the Sacramento chairman for the trip.

Chartered buses will leave Sacramento the morning of the 4th. After brief stops at Placerville, the tour will continue to George's Gateway Cafe at Stateline for lunch. In the afternoon the party will go to the North end of the lake for an overnight stop at Brockway.

That night the Sacramento Trade Club will be host at a cocktail hour and the chamber will host the dinner at Cal-Vada Lodge.

Tahoe business leaders will be guests at these functions.

The tour will return to Sacramento by Highway 40 with a lunch stop at Nyack Lodge.

Ed Johnson who has been looking after his local property plans to go to Iowa on business this week, returning later in the summer.

TAHOE FOREST ACTIVITIES

Call of the Outdoors

Fine spring weather has come once again to the mountain areas, and this is the time of the year the when the forests, as forests, mean so much to so many people. Weekends find the highways crowded with cars carrying families into the mountain country in search of a picnic spot or a place to camp for a day or two.

This is also the time when the forces of our forest service organization are taxed to the utmost. We want each and everyone who is interested in this type of outdoor pleasure to be able to enjoy themselves to the fullest.

Campgrounds are provided at convenient places with very little asked from the vacationer in return other than cooperation in order to keep them clean and usable. Camp stoves, tables, running water as well as sanitation facilities are provided helping to make one's outing more pleasant and comfortable. For those who like to get a little further away from things and be by themselves, there are numerous such locations and all that is asked is that they be sure to be careful with their campfires. Be sure it is really out when you leave. Another suggestion in this regard is, do not leave the fire attended by a child or someone unable to take proper action is case it is necessary.

When a campfire permit is issued to a person, it is understood that they are taking the responsibility for using caution in connection with their fire building.

A little courtesy and consideration for others should also be practiced if we are all going to continue to have the pleasures provided by our forest areas. A general cleanup of scraps and picnic refuse at the end of your stay is a small chore—leave the spot in good condition for the next group looking for the same kind of quiet atmosphere which you have enjoyed. The tables, stoves, etc. which are placed in these camps will last for years with a minimum of maintenance, provided people use them with care. A good many of our camps have been closed due to the lack of funds to replace such facilities.

Code of Outdoor Good Manners

The Department of Agriculture has prepared a behavior code, that if followed by everyone, would tend to make forest visits by everyone more pleasant and enjoyable:

I will—

Drive carefully on streets and highways.

Refrain from defacing trees and signs,

Clean up papers and rubbish,

Keep streams and lakes pure,

Be a good sportsman and observe the laws,

Use care with matches, smoking materials and campfires—

Make sure they are out.

I WILL KEEP OUR FORESTS GREEN.

The Tahoe Forest welcomes everyone to use and enjoy your great forest area. We will do everything possible to make your visit happy and enjoyable. Join with us in doing what you can to make everyone's visit a pleasant one. Observe the Code of Outdoor Manners and do your part to keep our forests GREEN AND CLEAN.

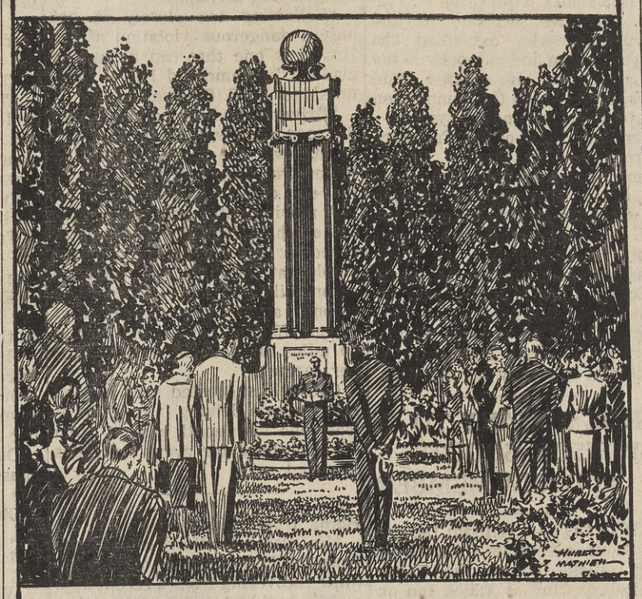
Don't throw trash from your car. Help keep our roadsides clean.

OUR DEMOCRACY——by Mat

MEMORIAL DAY

"To you from falling hands we throw
The torch; be yours to hold it high."
—JOHN McCRAE

THESE WORDS, WRITTEN DURING WORLD WAR I BY JOHN McCRAE, CANADIAN POET AND SURGEON, EXPRESS THE SPIRIT OF ALL PEOPLES JOINED IN DEFENSE OF LIBERTY.



SOON AFTER THAT WAR, CONGRESS ESTABLISHED THE BATTLE MONUMENTS COMMISSION TO BUILD AND MAINTAIN AMERICAN NATIONAL CEMETERIES AND MEMORIALS ABROAD AT PLACES WHERE OUR ARMED FORCES HAVE SERVED. TO THE COMMISSION IS ENTRUSTED CARE OF THAT HALLOWED GROUND. AND ON THIS MEMORIAL DAY, LET EACH OF US BE MINDFUL OF THE POET'S MANDATE TO HOLD HIGH THE TORCH THAT HAS LIGHTED OUR AND OUR FATHERS' WAY.

WHAT'S IN A NAME, KUCHEL WANTS ONLY VOTE JUNE 8

SAN FRANCISCO — "I find it much easier to get people to vote for you than to pronounce your name," an enthusiastic supporter told United States Senator Thomas H. Kuchel, who is campaigning for retention in office at the June 8 primary election.

The Senator's reply:

"I don't care if people call it KOO-CHEL or KOO-KUL or (correctly) KEE-KUL—Just so long as they know it's spelled K-U-C-H-E-L on the ballot and put their cross after it."

PIER PERMIT ROW STILL UNDECIDED FOLLOWING TALKS

TAHOE CITY — The state land commissioner's authority to require permits and to charge fees for piers and other structures in Lake Tahoe remains in dispute following a length discussion last week.

Summer home and other property owners along the lake shore met last Friday with Rufus W. Putnam, executive secretary for the commission, who explained the state's position and authority to tax the structures. He quoted state codes under which the commission set up the permit and fee sysetm.

Marion R. Plant of San Francisco attorney for R. Stanley Dollar, owner of extensive lake front property, quoted other sections of state law which he said do not give the land commission the authority it claims.

Assemblyman Donald D. Doyle of Contra Costa County, who attended the session held at Cal-Vada Lodge, offered to present Plant's report to the state legislature in an attempt to clarify the situation.

TAHOE ROTARY TO SPONSOR SCOUTS; ADD NEW MEMBER

TAHOE CITY — William Dorsey, Boy Scout executive from Grass Valley, spoke before the Tahoe City Rotary Club at Tahoe Inn on Tuesday. His subject was: My Product is the Most Valuable Product, A Boy.

At the directors' meeting which followed, it was voted to sponsor the Tahoe City Boy Scouts, Lake Council and Paul Griffith will continue as scout master, as he has been under the previous sponsorship of the Volunteer Fire Department.

John M. Edge became a new member of the club, with James Martin acting as inducting officer.

Visting Rotarians were Bert Scott of San Francisco and Richard Lavery of Kings Beach. Guests were W. D. Porter, Paul Griffith of Tahoe City and Dr. S. M. Dingwall. Howard Guth presided at the session.

Close Driving Is Hit By Patrol Chief

SACRAMENTO — Don't throw your passengers through the windshield by striking the rear of the car ahead.

This warning came from the California Highway Patrol in pointing out that "bumper riding" is a leading cause of accidents.

"Following too closely is not only a dangerous violation of the law, it is one that can always be avoided," commented Patrol Commissioner B. R. Caldwell.

"Drivers who have no idea of the distance a car will travel in a given interval are most apt to find themselves involved in a serious rear-end collision," he said.

A moving automoble travels one and one-half times the speedometer speed in feet per second. For example, at 30 miles per hour an automobile will travel 45 feet per second; at 50 miles per hour it travels 75 feet per second and at 60 miles an hour it goes 90 feet per second.

Caldwell suggested that a good rule for safe driving is to allow at least one car length distant from the car ahead for every ten miles of speed.

Home from Hospital—
Mrs. David Medford came home from the Reno hospital on Monday while recovering from a recent auto mobile accident and is now at her home. It will be necessary for her to return to the hospital later for skin grafting.

Here for Summer—
Mrs. C. H. Ray has returned to her home here after spending the winter at Auburn.

Two Years Old—
Jody Lea, daughter of Mr. and Mrs. K. F. Stewart, will be two tomorrow, the event to be observed by the family.

Little Birthday—
R. N. Little observed his birth date anniversary on May 19th.

Guest in City—
Mrs. C. B. White is the guest of Mrs. William Wilkie at San Francisco this week. Bernard White of Sacramento visited his father during the weekend.

From City—
William F. Bailey has arrived from San Francisco and plans to stay until fall.

At Donner Lake—
Mr. and Mrs. Harry Whitehouse and sons, Kenneth and Robert, of Davis were Sunday guests of Mr and Mrs. William Storkman at the Storkman's Donner Lake home.

NIMRODS SAFEST RISK WITH FIRES, REPORT REVEALS

SACRAMENTO — California hunters and fishermen are among the safest fire risks in our woods, according to the 1953 forest fire report of the State Division of Forestry.

In the division's direct protection responsibility area, composed of forest and foothill areas through out the state, hunters last year were blamed for 160 fires. This is 8.3 per cent of the annual total of 1,932 fires.

The majority of the state's one-and-a-half million anglers take to the hills at some time during the year, the Department of Fish and Game estimates, but they caused only 1.7 per cent of the fires covered by the report.

Travelers and miscellaneous users of the woodlands are the worst fire risks, the report indicates. In 1953, they were credited with starting 24.6 per cent and 17.2 per cent of the fires, respectively.

Ranchers and farmers were the third highest on the list of 10 groups classed as primary casual agents, being responsible for 15.2 per cent of all fires.

Other categories on the man-caused fire list and the percentage of responsibility:

Children, 11; tenants, 10.5; hunters, 8.3; forest product workers, 4.7; railroad, 3.7; recreationists, 3.1; fishermen, 1.7.

Wildlands and roadsides were were the scene of most of the fires in the state zones 1 and 2 during the year. Dooryards, logging and lumbering areas and cultivated areas followed in that order.

Back from East—
Mrs. and Mrs. R. P. Bick returned after enjoying a pleasant trip and perfect weather during their stay in Chicago and New York City.

Graduates—
Howard Snider received his rank of lieutenant at his graduation from the Artillery Candidates School at Fort Sills, Oklahoma Tuesday. Lt. Snider expects to visit his parents, Mr. and Mrs. H. I. Snider during next month.

NEW FEE SCHEDULE FOR LAKE RECEIVED

TAHOE CITY — Notices of a proposal to revise fee schedules for structures in navigatable water of the United States have been mailed to pier builders at Lake Tahoe by the army engineer corps.

The list of structures which are sibilar to those at Lake Tahoe, includes piers or landings, aerial or submarine cables, pipe lines and moorings.

Fees to cover the cost of issuing permits as listed are $5 when no notice is required; $25 when only public notice is required and $50 when public hearing is required.

Charitable non-profit organizations and federal, state and other public agencies are exempt from fee charges. The bulletin states the effective date of the revised fee permit charge is July 1, 1954.

There had been no charge for issuing permits.

Eighty per cent of vehicles involved in fatal traffic accidents in 1953 were traveling straight ahead.

California ranked first among the states in the production of barley in 1952.

Trip Planned—
Mr. and Mrs. Joe Straub and sons Joe and Monte, accompanied by her parents, Mr. and Mrs. R. Hall of Berkeley will leave Saturday for Chicago and North Dakota for a combined pleasure and business trip.

In South—
Mrs. Jack Stewart is in Los Angeles visiting her mother and plans to join Mrs. Charles Heller in the valley and they will return home on Sunday.

In Grass Valley—
Coroner and Mrs. Alvah Hooper were among those attending the Past Commanders Night at the American Legion in Grass Valley recently. Hooper says that his many friends in the western end of the county are actively supporting his candidacy for reelection.

O'Conner Visitor—
J. F. O'Conner, candidate to succeed himself for county surveyor, was calling on voters here this week.

Here for Summer—
Mr. and Mrs. O. J. Rablin of Roseville have come up to occupy their home here for the summer.

Return from North—
Mrs. I. Firpo has returned from Cresent City where she visited her mother this week.

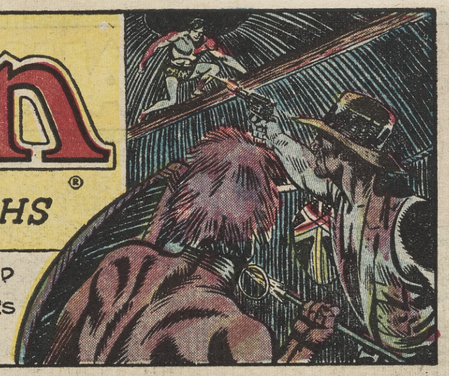
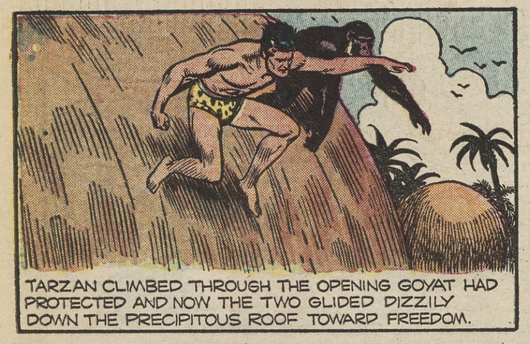
Tarzan

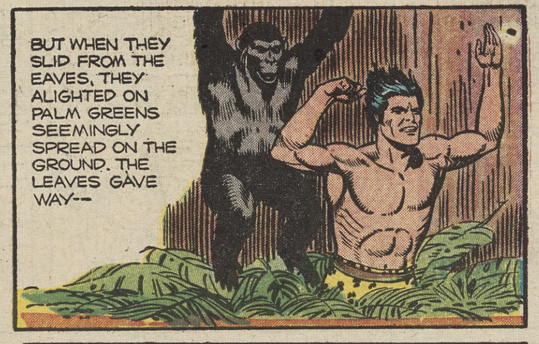
by EDGAR RICE BURROUGHS®



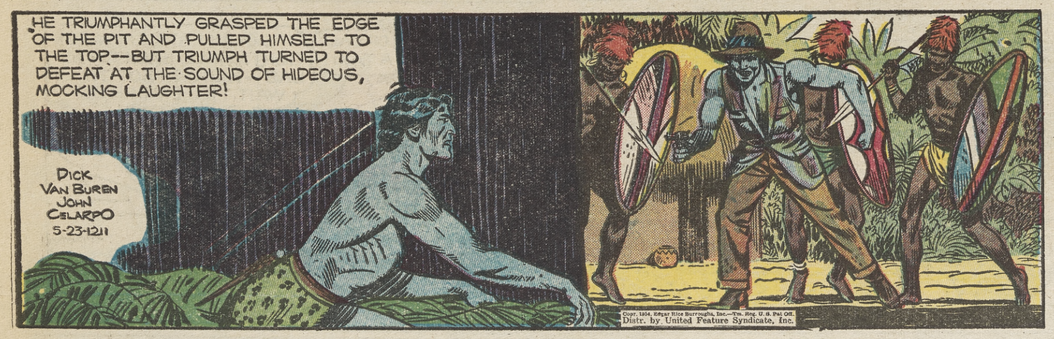
THE APE-MAN DUPED HIS CAPTORS AND SCALED THE FRAMEWORK OF THE HUT. IN HIS ATTEMPT TO ESCAPE HE WAS GRAZED BY SLUG STRIPER'S GUNFIRE.



TARZAN CLIMBED THROUGH THE OPENING GOYAT HAD PROTECTED AND NOW THE TWO GLIDED DIZZILY DOWN THE PRECIPITOUS ROOF TOWARD FREEDOM.



AND THE APE-MAN AND GOYAT PLUNGED INTO A DEEP, DARK PIT!



HE TRIUMPHANTLY GRASPED THE EDGE OF THE PIT AND PULLED HIMSELF TO THE TOP--BUT TRIUMPH TURNED TO DEFEAT AT THE SOUND OF HIDEOUS, MOCKING LAUGHTER!

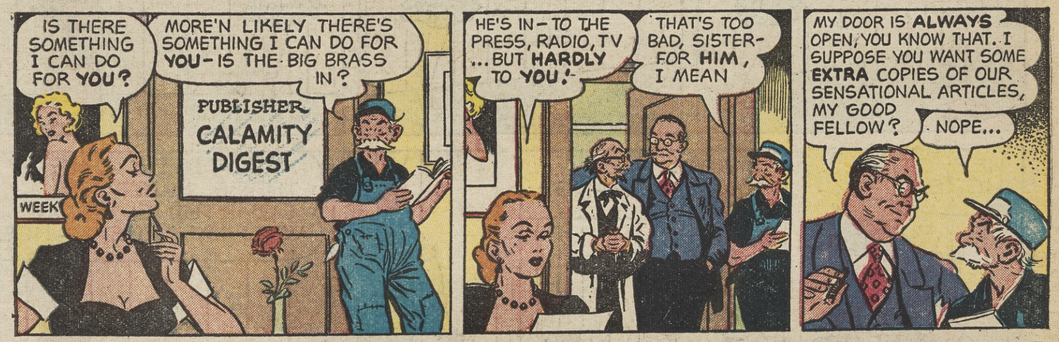
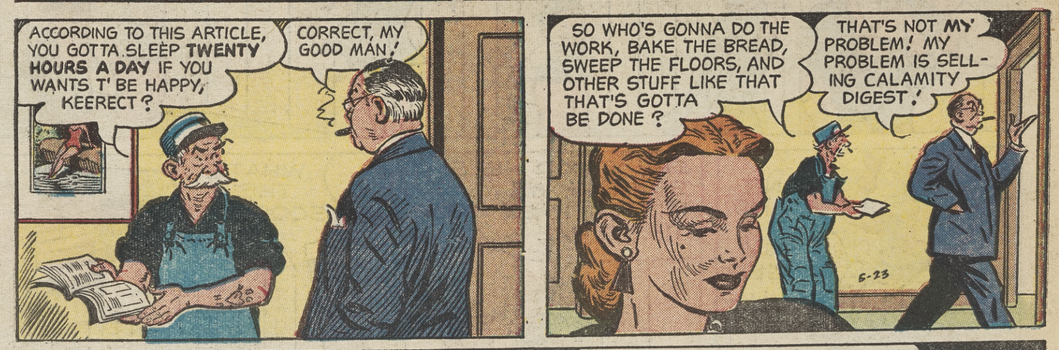
THIS MUST BE THE BLARSTED ISSUE O' CALAMITY DIGEST THAT HAS THE STORY ABOUT BEIN' HAPPY STOPPIN' DOIN' SOMETHIN' YER USED T' DOIN'! WONDER WHAT IT IS YOU GOTTA STOP?
EXI



IS THERE SOMETHING I CAN DO FOR YOU?
MORE'N LIKELY THERE'S SOMETHING I CAN DO FOR YOU- IS THE BIG BRASS IN?
PUBLISHER
CALAMITY DIGEST
WEEK
HE'S IN- TO THE PRESS, RADIO, TV ...BUT HARDLY TO YOU!
THAT'S TOO BAD, SISTER- FOR HIM, I MEAN
MY DOOR IS ALWAYS OPEN; YOU KNOW THAT. I SUPPOSE YOU WANT SOME EXTRA COPIES OF OUR SENSATIONAL ARTICLES, MY GOOD FELLOW?
NOPE...



ACCORDING TO THIS ARTICLE, YOU GOTTA SLEEP TWENTY HOURS A DAY IF YOU WANTS T' BE HAPPY, KEERECT?
CORRECT, MY GOOD MAN!
SO WHO'S GONNA DO THE WORK, BAKE THE BREAD, SWEEP THE FLOORS, AND OTHER STUFF LIKE THAT THAT'S GOTTA BE DONE?
THAT'S NOT MY PROBLEM! MY PROBLEM IS SELLING CALAMITY DIGEST!
5-23

AND, IF EVERYBODY SLEEPS TWENTY HOURS A DAY, WHO'S GONNA HAVE TIME T' READ CALAMITY DIGEST?
WHY (SOB) DIDN'T SOMEBODY THINK OF THAT BEFORE?
I GUESS EVERYBODY WAS SO BUSY SLEEPIN' AND BEIN' HAPPY AN' RESTED, THEY DIDN'T HAVE NO TIME T' THINK ABOUT IT, BOSS!!
